

FREEDOM TO CREATE

Build what you want.

Stop worrying about
your AI-generated code.

AI speed. No interruptions.

Keep building with AI tools.
We'll support you when things
get complicated.

AI BUILDS. AN EXPERT HELPS.

**Big budgets
are a thing
of the past.**

You don't need a large development team. Build with AI; we oversee the process and the result.

No more black boxes.

We'll check what's happening inside
and show you what needs attention.

LAUNCH WITH CONFIDENCE

Launch with confidence.

With confidence that
your product is ready
for real-world use.

TRADITIONAL DEVELOPMENT

\$10,000/mo

A large team.
You pay for everything.

HIGH DEVELOPMENT COSTS

Amiiigo -
technical partner for vibecoders

\$1,000/mo

You build with AI.
We're here when you need us.
If it's not the right fit in
your first month, we'll
refund your money.

ONGOING SUPPORT

ON YOUR OWN

\$0

Just you and AI.
Every technical issue
needs your attention.

ONGOING PROBLEMS

What's included in the service

4 HOURS PER WEEK

Setting up a workflow for effective vibe coding

Code review before deploying to the server

Solving tasks that need an experienced developer

Urgent fixes

1 CALL PER WEEK

Open format

Any questions

TEXT SUPPORT

Urgent questions

Our experience. Your product.

12+ YEARS IN DEVELOPMENT

We've built and supported products since before AI tools existed.

WE WORK WITH AI

We know its strengths and limitations, and where the results need an expert's attention.

WE KNOW HOW TO GET IT DONE

Payments, integrations, app publishing, infrastructure, deployment, and security.

WORKING TOGETHER
